Sir,

The police prison van has been in use for exactly 3 years. During that period we have not had to pay for any repairs, periodica cleaning etc. except on the two occasions when it met with accidents. On both these occasions pukka workshop repairs were necessary. The reason for our being able to save expense over other repairs etc. is the fact that the Fire Engine Driver has attended to the needs of the van. He has thus saved us a lot of expense and I strongly recommend that in future he be paid Rs. 15/- per mensem to continue the work he has been doing for the last 3 years.

If approved, the expenditure can be met from the head "25 Jails & Convict settlements - Supp-lies & Services - charges for police custody".

Sir,

The prison van was purchased in 1925 and now requires repainting. Messrs. Mackenzie & Co., who were asked to give an estimate, says that they cannot advise having the van repainted at present owing to the prevalent high wind which will drive dust into new paint. Their charge for repainting will be Rs.100/-

2. The charge, if sanctioned, can be met from "25 Jails and Convict settlements - charges for moving prisoners" in the current year's budget. I recommend the acceptance of the estimate and postponement of painting at present.
